COLLEGE HOUSE

2024

Art: 25-097e

Founded in 1906 in Long Island, NY, College House began by selling decorative trinkets including lapel pins for the US Army during WW1. Through the years the company transitioned into decorated apparel, and by the early 1980s, College House was pioneering the collegiate apparel market.

Located in Lexington, KY, the horse capital of the world, College House, like the finest thoroughbreds separates itself from the field with our commitment to providing consistent quality with fast turnaround times, as our long-term customers can attest to.

In October of 2023, College House was acquired by Artisans Inc., a 100% employee-owned company.

The joining of our two brands will allow us to fulfill the expanding needs within the collegiate apparel market, while maintaining each brands' independence, unique assets and rich histories.

College House is now over 117 years old and through this achievement, also proudly 100% employee-owned.
